WRITING EXPERIENCE

Commentary Section Editor, **The Colgate Maroon-News**, Hamilton, NY

Spring 2020 - Present

- Manage over 30 active writers, delegating weekly assignments, fact-check, edit, and layout stories for digital and print issues
- Identify Commentary story ideas, reach out to writers with diverse backgrounds and supervise article completion
- Develop backup plans for incomplete articles by building article reserves and completing articles on abbreviated timelines
- Write news and commentary articles by identifying relevant events and policies on local, national, and global levels

Writing Intern, **Advent Children's Museum**, Shenzhen, China

Summer 2019

- Developed English Chinese bilingual storylines for children's books based on the museum's exhibition in collaboration with National Geographic Learning to incorporate science education into fun and comprehensible children's stories
- Arranged the layout and designed the drawings for the children's books to assist in the publishing process
- Defined qualities that made Advent Children's Museum stand out from traditional education and other children's museums by analyzing innovations complementary to government goals

Co-Founder, **Colgate Writers' Club**, Colgate University, Hamilton, NY, US

Spring 2018 - Present

- Organized writing activities including Pass-It-On and personal writing by selecting literary themes and prompts to promote writing habit and skill development in wide variety of topics and genres
- Invited guest speakers to share their writing and publishing experiences to promote creative writing skills and introduce potential career paths

Writer, **ACULAC**, China

Summer 2017 - Present

- Write articles for a Chinese public account with 10000+ subscribers about liberal arts college life by drawing examples from personal and friends' experiences and analyzing the college dynamics at Colgate
- Conducted investigation on Chinese students' experience at Colgate by reaching out to and interviewing students in the Chinese community to highlight shared and individual experience and challenges

MEDIA EXPERIENCE

Intern, **Independent Filmmaker Project (IFP)**, Brooklyn (remote), NY

June 2020 – August 2020

- Promoted IFP Week and IFP's new podcast program assisting in event programming and media partnership outreach
- Rated and commented on narrative TV series submissions to assist in IFP project selection process
- Wrote a narrative film script and developed a film look book working with and learning from senior staff, peers, and industry professionals

New Media Intern, **China Daily**, Beijing, China

Summer 2019

- Simplified and translated news content from videos and articles into short news digests to present viewers with key information
- Created news videos using Final Cut Pro X by collecting pictures, videos, and background music online
- Wrote multiple sections of video scripts and created posters for politically relevant Chinese proverbs to assist in publishing content on Twitter confronting US stereotypes about China

Upstate Institute Media Intern, **Abraham House**, Utica, NY

Summer 2018

- Designed and published promotional event posters and gratitude notes for Abraham House using Photoshop to attract more sponsors and ensure future partnership
