## EXPERIENCE

### Production Assistant

#### ESPN | August 2022 - Present

- Edit highlights and clips for segments in studio production using ESPN's Q-Cut
- Produce teases, opens, and montages for college soccer, basketball, and football events
- Acquire archival footage, melts, and highlights from colleges/universities and third-party producers
- Coordinate equipment with field producers
- Partner with producers to research and pitch storylines for upcoming matches
- Log and organize melts, front ends, interviews, and others

### Production Trainee

#### NBA | 2022

- Logged and organized live basketball games for editors
- Created condensed games and player interviews for distribution to NBA's partners
- Created clips for NBA's social content and digital archive

### Video Production Intern

#### Brooklyn Nets - BSE Global | 2021 - 2022

- Created, edited, and delivered player highlights for social media using Premiere
- Provided ideas for collaboration to create content for internal and external clients such as Red Bull and JetBlue
- Researched, pitched, and wrote storylines for multiple Brooklyn Nets series such as The Bridge, Rookie Diaries, and other productions
- Assisted in production shoots for Brooklyn Nets series From Brooklyn, With Love
- Captured, logged, and organized footage for shooters and editors in post-production

### Intern

#### F Schumacher & Co. | 2020-2022

- Worked with freelance photographer and art department associates to prepare products for shooting at studio
- Created, organized, and tracked product lists, file lists, call sheets, inventory, and calendars
