## EXPERIENCE

2022 - 2023

**AXIOS**  
CLIMATE JUSTICE REPORTER/FELLOW

- I cover climate justice and food systems for a national and international audience.
- One of four fellows selected for a highly competitive inaugural newsroom fellowship.
- My coverage has engaged hundreds of thousands of readers with Axios' website and national newsletters.
- Regularly featured on podcasts like Axios Today.

2019 - 2022

**CLIMATE CENTRAL**  
CORRESPONDENT

- I reported on climate change impacts for print, digital, radio and TV news stories in collaboration with partner newsrooms across the U.S. This role required data journalism, field reporting, fact-checking, writing, editing and interviewing.
- I won the 2021 Multimedia Feature Award through the Society of Professional Journalists for my reporting on the impacts of sea level rise on affordable housing.

2018 - 2022

**FREELANCE JOURNALIST**

- Bylines in Grist, The Guardian, NPR Morning Edition, NPR All Things Considered, PBS Newshour, Forbes, NBC News, USA TODAY, FLORIDA TODAY, Living on Earth, Southerly, WJCT News, Salon, WLRN Public Radio, South Florida Sun Sentinel, Newsy, WHO-13, WJXT, WVLT-TV, FOX 46, Delaware News Journal, The Star-Ledger, NJ Advance Media and others.
- Outstanding New Journalist finalist in the 2022 SPJ Sunshine State Awards.

2020 - 2021

**HIVE DIVERSITY**  
DIRECTOR OF MARKETING + STUDENT STRATEGY

- Served as editor-in-chief, launched a blog, newsletter, social presence and digital community that drove user acquisition by 30%.
- Managed two junior team members.

2019 - 2019

**WPLG CHANNEL 10**  
ASSOCIATE PRODUCER

- Wrote and produced morning, daytime and evening news broadcasts for the ABC affiliate station.
- Contributed to breaking news web stories and editing.

2018 - 2019

**MIAMI NEW TIMES/NEW TIMES BROWARD-PALM BEACH**  
FREELANCE REPORTER

- Breaking news to feature reporting, I covered all things local, cultural and political for the New Times Broward-Palm Beach and Miami New Times.
- Led monthly traffic records for the sites.
