WORK EXPERIENCE

Bloomberg Industry Group – Bloomberg Law

Health Reporter

June. 2023-Aug. 2023

- Write 3-5 daily news articles each week about federal health regulation and litigation.
- Pitch, report and write in-depth enterprise stories about opioid litigation, Medicaid and home care services.

Milford Daily News/MetroWest Daily News

Statehouse Reporter

Jan. 2023-May 2023

- Utilized government data and academic research to generate story ideas, conducted data analysis, interviewed various industry experts and legislators and produced interactive data visualizations and graphics for [in-depth stories](#) about Massachusetts legislature and public health related policy and issues.
- Led a front-page investigative story on the [opioid crisis](#) in Massachusetts with two interactive maps; produced a subscriber-only story on [patient experience and health equity](#), resulting in more than 19K views on [USA TODAY website](#).

BU SPARK!

Project Manager

Jan. 2023-May 2023

- Worked on data journalism projects for media partners, including Commonwealth Magazine and CBS News. Projects were centered around equity concerns, including the distribution of federal funding in MA and Boston's potholes situation and 311 inequities.

WTBU News

New England News Reporter, Podcast Producer, Anchor

Sept. 2022-Dec. 2022

- Wrote and reported New England news stories on air; recorded and edited WTBU news podcast; anchored WTBU evening news, reaching thousands of listeners in Boston and beyond.

The Boston Globe

Student Correspondent

May 2022-June 2022

- Reported, wrote and fact-checked stories on issues including education, child care, and issues affecting the LGBTQ+ community, as part of an application-only class where students report on the city of Newton for the Boston Globe.
- Reported and wrote [6 stories](#) to Newton Report. Worked with editors and collaborated with other writers.

The Daily Free Press

City News Editor

Dec. 2021-May 2022

- Managed the City News section's budget, oversaw three associate editors and more than 40 writers and led weekly pitch meetings. Sourced, assigned, edited and fact-checked 2 stories each weeknight and published more than 80 articles on the newspaper website at the end of the semester.
- Other roles held: *Staff Writer* (Sept. 2021-Dec. 2021), *Archival Chair* (June. 2022-May. 2023), *Training Chair* (Present)

FREELANCE

- [DigBoston](#): Pitched, reported, wrote and fact-checked metro and feature stories.
- [The Maine Monitor](#): Cleaned and analyzed raw data from the Maine State Harness Racing Commission and conducted in-depth investigation of the harness racing industry in Maine. Created three [data visualizations](#) for the story.
