OBJECTIVE

Work as a news producer for a creative, collaborative political program and take lead on developing stories from the ground up. Be a part of a growing network that is not afraid to experiment with new programming.

- Works well in team environments with multiple editors
- Proficient with print and video software (Adobe Premiere, Dalet Galaxy, Axis)
- Hands-on experience with websites (SquareSpace, WordPress)
- Adept with social media (Canva, Photoshop, InDesign)

WORK EXPERIENCE

Spectrum News NY1 | *A cable TV station providing on-the-ground, hyperlocal reporting for city residents.* New York City, NY
Political Producer **May 2022 – Present**

- Experience in a live control room, curating information and graphics for weekly, nightly show, “Inside City Hall.”
- Contribute to award-winning coverage of race for Governor in 2022, including the only debate between the candidates.
- Research and invite guests for long-form segments. Facilitate use of live shots and field reporters in breaking situations.
- Communicate with technical directors on framing anchors in innovative ways to improve the look of the show.

Spectrum News 1 | *A cable TV station hub for five regional markets across upstate New York.* Albany, NY
Producer **October 2021 – May 2022**
Associate Producer **June 2021 – September 2021**

- Responsible for weekday evening and weekend programming across all five markets and statewide content.
- Develop stories from wires, local press, and tips from the community. Conduct research and fact-checking.
- Facilitate communication with reporters, managing directors, and news editors to develop [longer-form segments](#).
- Point person for training newly onboarded associate producers/producers.

Epicenter NYC | **Newsletter Intern** **January 2021 – May 2021**
A weekly newsletter focusing on breaking news for minority and underrepresented communities. Jackson Heights, NY

- Pitched ideas on topics for coverage and interviewed sources. Compiled newsletter drafts.
- Fact-checked and researched everything from second-home markets with [The Escape Home](#) to local government.

The Daily Targum | **Associate Copy Editor & Contributing Writer** **February 2020 – May 2021**
The official student-written and managed newspaper of Rutgers University. New Brunswick, NJ

- Edited 50+ articles during the production cycle, five days a week. Utilized AP style guidelines.
- Published multiple articles for Inside Beat and News sections. Interviewed politicians and professors.
- Won [2021 IRE Award](#) and [2022 NJ News Commons Excellence in Local News Award](#) for “[The COVID-19 Money Trail](#).”

T3Shamrock PR | **Intern** **January 2021 – May 2021**
A renowned public relations firm with experience handling global brands in the consumer goods industry. Metuchen, NJ

- Developed press releases about clients’ products, and created target lists of reporters to pitch to.
